CONTRACT OF INFLATABLE PLAY HIRE

1. Children should not be allowed to climb up or hang over the walls of the inflatable. Neither should they bounce on the front step or over the front safety barrier.
2. No shoes, pets, toys or sharp objects, (e.g. jewellery, glasses, etc.) are allowed on the inflatable
3. **NO ADULTS.** All inflatables are for children under 12 years old. Under no circumstances should adults enter onto them as this will result in damage. Any damage will have to be paid for by the hirer.
4. The recommended number of children on the inflatable at any one time is as follow: Bouncy Castles = maximum 8; Ball Pool = maximum 6; Fun Slide = maximum 6.
5. Do not allow children to climb up the front of a slide, or jump from the top of a slide. They must slide down, feet first, one child at a time. Do not let children slide down head first or on their front as this is dangerous.
6. No smoking, fires or barbecues to be used near the inflatable.
7. No signs/pictures are to be glued/taped or hung on the inflatable at all.
8. **NO FOOD, DRINK, FACE PAINT, PARTY POPPERS, SILLY STRING, STREAMERS** etc allowed on the inflatable, as these all stain and are difficult to remove. If you do get any of the above onto the inflatable, it is your responsibility to clean it off **BEFORE** we come to collect or you will be charged a cleaning fee. Please note that the colour from streamers, confetti etc will run once wet and this permanently stains the inflatables.
9. Do not interfere with the electrical equipment. Do not cover the blower with anything. Do not switch off the blower whilst children are on the inflatable. In the unlikely event of deflation, evacuate the inflatable immediately to prevent injury and damage.
10. You "the hirer" must ensure that a responsible adult supervises children and boisterous behaviour is stopped immediately. **STRICTLY NO** acrobatics as this is dangerous. The inflatable must not be left unattended. If you would like public liability insurance covering your event, telephone event insurance services on 0439 512 021.
11. You "the hirer" must ensure that the inflatable remains staked down at all times and use your discretion in high wind and bad weather. It may **NOT** be possible to use the shower cover in high winds. You must not hand any of the equipment over to any one other than our authorised delivery driver, who holds a copy of this document. We reserve the right to cancel any booking at any time, or to remove an inflatable if being misused.

I have read the above agreement and fully understand and accept the conditions as above. I am aware that whilst in my care I am fully responsible for **ALL** equipment and will pay for any loss or damage that may occur. I am fully responsible for the supervision of children at all times, and will not hold the supplier responsible for any accidents that may occur. I am over 18 years of age.
